What's inside

Five tools, one calm workspace.

A CGPA you can trust

Exact calculation from your units and grades. AI explains it, never works it out.

A plan you approve

A realistic study timetable. Nothing is scheduled until you say yes.

Academic Studio

Outline, draft and export, one section at a time.

Private circles

Study with friends. Files are visible only to members.

Your resource library

Handouts and notes in one place, ready for practice and summaries.

AI helps inside each task. You stay in control.

You approve every outline and plan, and you are responsible for what you submit.
